

CURRICULUM VITAE

Douglas M. Teti, Ph.D.

**Professor of Human Development, Psychology, and Pediatrics
Human Development and Family Studies
Associate Director, Social Science Research Institute
The Pennsylvania State University,
S-211 Henderson Building
613 Oswald
University Park, PA 16802.**

Personal Data

Date of Birth: August 23, 1951
Place of Birth: Philadelphia, PA.

Education

NIMH Post-Doctoral Fellow, Aug. 1984-July, 1986, University of Utah,
Salt Lake City, UT., Developmental Psychology

Ph.D., 1984, University of Vermont, Burlington, VT., General
Psychology with specialty in Developmental Psychology

M. S., 1980, Villanova University, Villanova, PA., General
Experimental Psychology

B. S., 1976, St. Joseph's College, Phila., PA., Psychology

Experience in Higher Education

Sept. 1, 2011 – present: Associate Director, Social Science Research Institute, The
Pennsylvania State University

December, 2009 – present, Professor of Pediatrics, Hershey Medical Center, Penn State
Children's Hospital (courtesy appointment)

September, 2007 – present, Professor of Psychology, The Pennsylvania State University
(courtesy appointment)

August, 2005 – August 31, 2011, Professor-in-Charge, HDFFS Ph.D. program, The
Pennsylvania State University, University Park, PA.

June, 2004 – present, Lead Faculty, the Parenting-at-Risk faculty research initiative,
sponsored by Penn State's Child Study Center, College of Liberal Arts, Penn State

University

Spring, 2008 – Interim Department Head, HDFS, Penn State University

June, 2003 - present, Professor of Human Development, Human Development and Family Studies, The Pennsylvania State University, University Park, PA.

January, 2005 – 2009, Adjunct Professor, Department of Psychology, University of Maryland, Baltimore County.

2001 - 2003, Director, Applied Developmental Psychology Ph.D. program, Dept. of Psychology, University of Maryland, Baltimore County.

1998 - Present, Professor of Psychology, Dept. of Psychology, University of Maryland, Baltimore County

1992 - 1998, Associate Professor, Dept. of Psychology, University of Maryland, Baltimore County

1986-1992, Assistant Professor, Dept. of Psychology, University of Maryland, Baltimore County

1993 - 1996, Adjunct Associate Professor, University of Utah, Department of Psychology

1987 - 1993, Adjunct Assistant Professor, University of Utah, Department of Psychology

Research Support and/or Fellowships:

Funded Grants:

1. Co-Principal Investigator, Problem Prevention in Infants of Depressed Mothers, in collaboration with Donna Gelfand, Ph.D. NIH/National Institute of Mental Health. 8-1-87 to 7-31-91
Renewed 8/1/91 to 7/31/95.
2. Principal Investigator, Security of Attachment and Infant-Sibling Relations, ADAMHA FIRST Award, NIMH
Grant # R29 MH44713. Funded 9/1/89 - 8/31/95.
3. Principal Investigator, ADAHMA Small Instrumentation Program, ADAMHA Grant # SRCA (70) 1 S15 MH50804-01. Funded 9/30/92 to 8/31/93
4. Principal Investigator, Parental beliefs and behavior as moderators of IVH outcomes.

University of Maryland, Baltimore County Designated Research Initiative fund. 7/31-99 - 6/30/00, in collaboration with Susan Sonnenschein, Ph.D.

5. Principal Investigator, Adult attachment and intervention efficacy with preterms. NIH/National Institute of Child Health and Human Development Grant # HD38982. 08/01/01 - 11/30/07. In collaboration with Rose Viscardi, M.D., Maureen Black, Ph.D., Penny Glass, Ph.D., and Regina Cusson, Ph.D.
6. Principal Investigator, Stability of parenting competence in early childhood: An emic perspective. Children, Youth, and Families Consortium, The Pennsylvania State University. Funded 03/01/04. In collaboration with Mark Feinberg, Ph.D., Mark Greenberg, Ph.D., and Keith Crnic, Ph.D.
7. Principal Investigator, Prefrontal Cortical Asymmetry and Parenting at Risk: A Pilot Investigation. Children, Youth, and Families Consortium, The Pennsylvania State University. Funded 04/01/06. In collaboration with Mark Feinberg, Ph.D., Pamela Cole, Ph.D., Sandra Azar, Ph.D., William Ray, Ph.D., Michael Wenger, Ph.D., and Ginger Moore, Ph.D.
8. Principal Investigator, Parenting and infant sleep regulation: A pilot investigation. Children, Youth, and Families Consortium, The Pennsylvania State University. Funded 03/01/06. In collaboration with Pamela Cole, Ph.D., Rick Gilmore, Ph.D., Brian Rabian, Ph.D., and Michael Rovine, Ph.D.
9. Co-Investigator, “Child maltreatment, parenting processes, and emotion regulation.” NIH/National Institute of Mental Health. R01 MH079328 Funded July 1, 2007. In collaboration with Elizabeth Skowron (PI) Period of support: 07/01;07-6/30/12.
10. Principal Investigator, Stress and the Low Birth Weight Infant: Mechanisms, Implications, and Interventions. Children, Youth, and Families Consortium, funded 9/1/07. In collaboration with Charles Palmer, MD, Kimberly Haidet, Ph.D., and Robert Bonneau, Ph.D.
11. Principal Investigator, “The role of parenting in infant sleep regulation and sleep problem risk”. National Institute of Child Health and Human Development (1R01HD052809). In collaboration with Pamela Cole, Ph.D., Thomas Anders, M.D., Cynthia Stifter. Ph.D., Michael Rovine, Ph.D., and Ian Paul, MD. Period of support: 1/1/09 – 12/31/14
12. Principal Investigator, “Cue-Directed Tactile Stimulation and the Premature, Low Birth Weight Infant: Stress Reactivity, Immune Functioning, and Parenting”. Clinical Translational Science Institute. In Collaboration with Charles Palmer, MD, Robert Bonneau, Ph.D., Kimberly Haidet, Ph.D., Stephanie Lanza, Ph.D.,

and Piotr Janicke, MD.

13. Co-Investigator, "Cue-Directed Tactile Stimulation — An Interventional Strategy to Decrease Stress Reactivity and Increase Immune Function and Survival in Premature, Low Birth-Weight Infants." The Children's Miracle Network. In collaboration with Robert Bonneau, Ph.D., (PI), Charles Palmer, MD, and Kimberly Haidet, Ph.D.

Principal Investigator, "Parenting at risk: Contributions from affective neuroscience" NIH/National Institute of Child Health and Human Development. R21HD062087 04/01/2010 – 03/31/2012. In collaboration with Pamela Cole, Mark Feinberg, Peter Molenaar, Sandra Azar, Joseph Stitt, William Ray.

Co-Investigator, "Caregiving, Attachment, and Regulation of Emotion (CARE) NIH/National Institute of Child Health and Human Development. 1 R01 HD068594- In collaboration with Susan Woodhouse (PI)

Masters Students (thesis):

Director of completed master's thesis for:

- Catherine Vieira-Baker (HSP): Predicting psychological well-being in two samples of pregnant adolescents. 12/18/89.
- Kathleen M. Corns (ADP): Correlates of adolescents' subjective evaluations of pregnancy and parenthood. 2/18/92.
- Marta Caballeros (CCP): Initial reactions to the birth of a sibling in a sample of preschool-aged firstborn children. 7/9/92.
- Elizabeth Kucera (ADP): The effect of sibling birth on firstborn behavior and its relation to self-reported parental stress. 12/7/92.
- Judith Bird (HSP): Social characteristics of Fragile X syndrome. 8/30/95.
- Sharon McGourty (ADP): Assessing the attachment relationship: Methodology of the attachment behavior Qset. 6/27/95.
- Jeanne Gordon (ADP). Parenting and parent-child risk in a sample of preterm infants and their mothers. 5/30/98
- Walter Meyer (ADP). Correlates of adjustment among mothers and fathers of medically fragile infants: The roles of infant medical risk, father involvement, and marital quality. 6/8/98
- Steven W. Gorny (ADP). Childhood sexual abuse and later drug use in a non-clinical population (research competency). 5/30/98
- Christine Reiner (ADP). Sources of social support as predictors of maternal adjustment after the birth of a medically fragile infant. 3/31/99.
- Paula Scheye (HSP). Goodness of fit and maternal adaptation: Mother's overestimation and underestimation of medical risk for NICU infants. 6/6/99.
- Kathleen Tracy (HSP). Antecedents of adjustment problems in children. 7/24/01
- Kelly Todd (ADP). Coping style and maternal perceptions of high-risk infant

- medical/developmental status after discharge from the NICU. 10/6/01
- Melissa O'Connell (ADP). Determinants of older sibling adjustment to the birth of a medically fragile infant. 11/21/01
 - Margo Candelaria (ADP). The role of parental locus of control in parental participation in early intervention. 11/30/01
 - Rose Belanger (ADP). Postpartum Mother-Infant Separation: Maternal Depression, and Maternal Sensitivity in a Preterm Sample. 4.27.07
 - Nissa Towe-Goodman (HDFS – Penn State University). Power Assertive Discipline and Emotional Availability: Implications for Child Adjustment. 3.9, 07.
 - Christine Fortunato (HDFS – Penn State University; Patterns of Adrenocortical Reactivity and Regulation to Emotional Challenge in Early Childhood: Relations to Temperament, and Maternal Characteristics_Douglas Granger, co-chair). Dec. 2008
 - Elizabeth Hunt (HDFS – Penn State University). Division of Household Labor and maternal functioning among at-risk mothers.
 - Fumiyuki Chin (HDFS – Penn State University). Predictors of commitment to home visitation program among African American sample. March, 2010
 - Gail Mayer (HDFS – Penn State University). The Role of Infant Temperament, Parenting, and their Interaction in Predicting Infant Sleep Behavior. April, 2010
 - Bo-Ram Kim (HDFS – Penn State University). Mothers' affect dysregulation, depressive symptoms, and emotional availability during mother-infant interaction. Dec., 2010
 - Brandon McDaniel (HDFS – Penn State University). Mothers' and Fathers' Perceptions of Coparenting across the Early Months of the Transition to Parenthood: The Role of Infant Sleep Quality. Jan., 2012
 - Lauren Philbrook (HDFS – Penn State University). Maternal Emotional Availability at Bedtime, Quality of Co-parenting, Infant Temperament, and Infant Diurnal Cortisol at 1 and 3 Months. March, 2012

Director of master's theses in progress for:

Alexia Hozella (Applied Developmental Science – Penn State University, Harrisburg)
Mina Shimizu (HDFS – Penn State University)
Ni Jian (HDFS – Penn State University)

Member of master's thesis committee for:

Erik Scott (HSP)
Aleena Binder (CCP)
Karen Ablard (ADP)
Dorothy Adamson (ADP)
Deborah Greenberg (HSP)
Christine Walrath (HSP) (Research Competency)
Judith Wall (HSP)

Cynthia Wilcox (HSP)
Nancy Heaton (ADP) (Research Competency)
Nancy McArdell (HSP)
Amanda Flynn (ADP)
Sylvia Fernandez (ADP)
Kim Munsterman (ADP)
Deborah Scher (ADP)
Hibist Astatke (ADP)
Jill Walker (HSP)
Colleen Luksik (ADP)
Kathleen Senuta (ADP)
Halima Aquino (HSP)
Sharon Hoover (HSP)
Beverly Pringle (HSP)
Rachelle Lipschultz (ADP)
Diane Schmidt
Valerie Hoffhines (HSP)
Amie Ashley (ADP)
Marnie Switkin (HSP)
Heather Dimmig (HSP)
Kimberly Bell (HSP)
Katia Jones (HSP)
Natalia Dmitrieva (HDFS)
Elizabeth Cipriano (HDFS)
Kristin Voegtline (HDFS)

Director of Completed Ph.D. Dissertation for:

Miyuki Nakagawa (ADP): An ecological study of parenting and child development: Japanese families in the United States. 5/30/91.

Rina Das-Eiden (ADP): Maternal working models of attachment, social ecology, and the parent-child relationship. 7/13/92

Kathleen Corns (ADP): Psychosocial determinants of maternal behavior and infant attachment. 5/7/94

Elizabeth Kucera (ADP): Post-separation conflict: Mode of expression, severity, and impact of child and parent adjustment. 8/6/96

Zermaine Breidenbaugh (HSP): Maternal personality traits as predictors of infant attachment. 5/9/96

Julie Sakin (ADP): Maternal and child correlates of attachment quality among toddlers. 4/96

Megan Bradley (ADP): Internalization of maternal descriptors in children at risk for the development of disruptive behavior disorders. 12/17/98

Lynda Payne (ADP): Maternal perceptions of their premature infant and infant development. 10/05/01

Christine Reiner Hess (ADP). Parenting competence among mothers of high-risk infants: Relation of parental self-efficacy and parent knowledge of child development. 4/26/02

Margo Candelaria (ADP). The Impact of Psychosocial Risk on Infant Attachment. 11/16/05.

Wendy Miller (ADP). Adult Attachment, Father Involvement, and Relationship Satisfaction and Maintenance among Low-Income African-American Mothers of Premature Infants. 5/31.06

Melissa O'Connell (ADP). Predictors of Maternal Sensitivity in a High-Risk Preterm Sample 11/27/06

Lauren Killeen (Psychology, Penn State University). Understanding parenting as a process: Frontal EEG alpha asymmetry as a measure of "online" maternal responsiveness to infant cues. 5/20/2010

Molly Countermine (HDFS, Penn State University). Conceptualizations and determinants of maternal adaptation to infant sleep: Birth to six months. 5/15/2012

Director, Dissertation in Progress, for:

Gail E. Mayer (HDFS – Penn State University)
Fumiyuki Chin (HDFS – Penn State University)
Bo Ram Kim (HDFS – Penn State University)
Hye-Young Rhee (HDFS – Penn State University)
Nastassia Hajal (Psychology – Penn State University)

Member of Ph.D. dissertation committee for:

Mindi Schuman (HSP)
Maureen Schuler (ADP)
Lisa Freund (ADP)
Lisa Hoffmeyer (ADP)
Robin Haller (HSP)
Karen Ablard (ADP)

Jackie Hutcheson (ADP)
Valerie Molaison (ADP)
Patricia Knapp (HSP)
Sylvia Fernandez (ADP)
Barbara Wall (HSP)
Erik Scott (HSP)
Carolyn Ericson (Social Work)
Marnie Switkin (HSP) (in progress)
Rebecca Holland (HDFS, Penn State University)
Brittany Rhoades (HDFS, Penn State University)
Elizabeth Reitz (Psychology, Penn State University)
Jessica Dollar (HDFS, Penn State University)
Elizabeth Cipriano (HDFS, Penn State University)
Stephanie Anzman (HDFS, Penn State University)
Nissa Towe-Goodman (HDFS, Penn State University)
Natasha Dmitrieva (HDFS, Penn State University)
Lisa Lindeke (Psychology, Penn State University)

Chair, Ph.D. Candidacy Committee

Molly Countermine (HDFS, Penn State University)
Fumiyuki Chin (HDFS, Penn State University)
Gail Mayer (HDFS, Penn State University)
Bo-Ram Kim (HDFS, Penn State University)
Hye-Young Rhee (HDFS, Penn State University)
Brandon McDaniel (HDFS, Penn State University)
Lauren Philbrook (HDFS, Penn State University)

Member, Ph.D. Candidacy Committee

Nicole Freeman (HDFS, Penn State University)
Brittany Rhoades (HDFS, Penn State University)
Jen Wong (HDFS, Penn State University)
Nissa Towe-Goodman (HDFS, Penn State University)
Elizabeth Cipriano (HDFS, Penn State University)
Kristin Voegtline (HDFS, Penn State University)
Elizabeth Riina (HDFS, Penn State University)
Jessica Dollar (HDFS, Penn State University)
Heather King (HDFS, Penn State University)
Natasha Dmitrieva (HDFS, Penn State University)
Susan Doughty (HDFS, Penn State University)

Publications (and Other Creative Efforts)."

PROFESSIONAL ACTIVITIES

a) Professional Affiliations

Society for Research in Child Development
International Society for Infant Studies
Sleep Research Society
World Association for Infant Mental Health

b) Associate Editor, Infancy, August, 2011 - present

c) Guest Editor, Journal of Family Psychology, for special section, “New Perspectives and Approaches in Understanding Parenting at Risk”, with Ernest Jouriles (co-editor)

d) Associate Editor, Developmental Psychology, 2/15/99 – 10/30/04

e) Member, Editorial Boards of:

Early Education and Development, April, 1989 to Summer, 2006

Child Development, August, 1993 to 1996.

Developmental Psychology, Spring, 1993 to 2/15/99

Consulting Editor, Monographs of the Society for Research in Child Development, 1997-1998.

f) Ad Hoc Reviewer for:

Child Development

Journal of Child Psychology and Psychiatry and Allied Disciplines

Infant Behavior and Development

Infancy

Journal of Social and Interpersonal Relationships

Developmental Psychology

Health Psychology

Journal of Marriage and the Family

International Journal of Behavioral Development

Journal of School Psychology

Journal of Research on Adolescence

Development and Psychopathology

Journal of Clinical Child Psychology

Sex Roles

Journal of Family Psychology

- Review Panel, NIH's Basic Behavioral and Social Sciences Research Opportunity Network (OppNet), Sleep and the Social Environment. March 23, 2012.

g) Departmental Service

University of Maryland, Baltimore County

1. Chair, Psych 331-332 Evaluation Committee, 1987-'88
2. Chair, Departmental Space Committee, 1990 to present
3. Member, Graduate Assistantship Committee, 1987-'88
4. Member, Graduate Committee, 1986-'87, 1993 - present
5. Member, Applied Developmental Psychology Ph.D. program recruitment committee for program director (two years: 1987-1988 and 1988-1989)
6. Chair, Departmental Colloquium Committee, 1991-'92
7. Member, Chair Evaluation Committee, 1992-'93
8. Member, Health Psychology Search Committee, 1992-'93
9. Member, Promotion and Tenure Committee for Dr. Christopher Murphy's contract renewal, 1993-'94.
10. Chair, Departmental Search Committee, 1995- present
11. Chair, Promotion and Tenure Committee for Dr. Shari Waldstein's contract renewal, 1995-'96.
12. Acting Director, 1995- '96, Applied Developmental Psychology Ph.D. program.
13. "Curator", security alarm system for psychology faculty laboratories on the 4th and 5th floors of Social Sciences Building (1994-present).
14. Chair, Promotion and Tenure Committee for Dr. Lynnda Dahlquist.
15. Member, Departmental Colloquium Committee, 1997-'98.
16. Chair, Search Committee for lecturer positions in measurement/statistics and developmental psychology
17. Director, Applied Developmental Psychology Ph.D. program, Jan. 2001 - 2003.
18. Chair, Search Committee for assistant professor position in Applied Developmental Psychology, Fall, 2002 - Spring, 2003.

The Pennsylvania State University

19. Member, Promotion and Tenure Committee, Human Development and Family Studies, The Pennsylvania State University, Sept. 2004 – 2007.
20. Member, Child Care Transitions Committee, Human Development and Family Studies,

The Pennsylvania State University. Jan, 2005 – Jan. 2006.

21. Member, HDFS Diversity/301 Revision Committee, Sept. 2004 – August, 2005
22. Author, Report to HDFS's PPD&E Committee re: proposed mechanisms for training HDFS undergraduates with interests in careers in child care, Fall, 2004 – Spring, 2005.
23. Professor-in-Charge, HDFS Ph.D. Program, The Pennsylvania State University, Aug. 2005 – Sept. 2011.
24. Interim Department Head, HDFS, Penn State University, Spring, 2008
25. Chair, Faculty Search Committee, Family/Prevention area, 2010-2011

h) University Service

1. Member, Organization and University Operations Committee, 1996 - 1998.
2. Member, Salary Equity Committee, 1998-1999
3. Member, Faculty Grievance Committee, August, 1999 - 2000.
4. Member, UMBC Research Fellows Program selection committee, Spring, 2003.

The Pennsylvania State University

5. Member, Conflict of Interest Committee, The Pennsylvania State University
Spring, 2004 – Summer, 2005
6. Member, College of HHD Strategic Plan Faculty Committee, The Pennsylvania State
University, Nov., 2007 – Aug., 2008
7. College of Health and Human Development Graduate School Fellowship Committee, 2007 –
Present
8. Internal Review Board, Office of Research Protections, Penn State University, Jan. 2010 –
Sept., 2011
9. Associate Director, Social Science Research Institute, Sept. 2011 – present
10. Member, Presidential Task for the Study of Child Maltreatment, Jan, 2011 – present.
11. Lead Faculty, Parenting-at-Risk (PAR) Faculty Research Initiative (Penn State
University Child Study Center, sponsor). August, 2004 – present

i) Additional Service Activities

1. External Reviewer for faculty promotion and tenure, Pennsylvania State University
(1996).
2. External Dissertation Reviewer, Carlo Schuengel, Leiden University, The Netherlands
(Marinus van Ijzendoorn, Chair)
3. External Reviewer for faculty promotion and tenure, University of Pittsburgh (2000).
4. External Reviewer for faculty promotion and tenure, Kent State University, 2001
5. External Reviewer for faculty promotion and tenure, West Virginia University,
2003
6. External Reviewer for faculty promotion and tenure, University of Florida, 2006

7. External Reviewer for faculty promotion and tenure, Purdue University, 2006
8. Member, Presidential Task Force for Research Funding, Sleep Research Society, Oct., 2007 – 2008.
9. External Reviewer for faculty promotion and tenure, University of Oregon, 2008
10. External Reviewer for faculty promotion and tenure, Ohio State University, 2008
11. External reviewer for the University of Kentucky's Human Development Ph.D. program, 2010.
12. External Reviewer for promotion to Full Professor, University of Illinois, 2011
13. Guest Editor (2011), Special Section in the *Journal of Family Psychology*, entitled Parenting-at-risk: New perspectives, new approaches.

h) Conference and Invited Presentations:

Teti, D. M., Kim, B.-R., Mayer, G., McDaniel, B., Philbrook, L., Rhee, H.-Y., Shimizu, M., Whitesell, C., & Crosby, B. Bedtime parenting vs. infant sleep quality in the first year of life: Predicting infant-mother attachment and behavior problems at 12 months. Paper presented in A. J. Schwichtenberg & A. Bernier (Chairs), Sleep and Development: How Sleep and Parenting Contribute to Behavioral, Social Emotional, and Language Development. Symposium conducted at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

McDaniel, B., & Teti, D. M. Infant sleep quality and mothers' and fathers' perceptions of coparenting. Paper presented in B. McDaniel & D. M. Teti (Chairs), Paternal coparenting across the transition to parenthood: Prenatal and postnatal influences. Symposium conducted at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Kim, B.-R., & Teti, D. M. Infant Temperament Moderates the Link between Mothers' Emotional Availability during Infant Bedtimes and Attachment Security. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Whitesell, C., & Teti, D. M. Assessing chaos in families with infants: An observational approach for capturing family chaos in the home. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Chin, F., & Teti, D. M. Cognitive and socio-emotional developmental competencies in premature infants at 12 months: Predictors and developmental sequelae. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Mayer, G., & Teti, D. M. The Relationship between Early Maternal Responsiveness to Infant Nighttime Distress and Attachment. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Rhee, H.-Y., & Teti, D. M. Social Supports, Life Stress, and Emotional Availability in Mothers during the Early Transition to Parenthood. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Reader, J., McDaniel, B., & Teti, D. M. Parental worries about infant sleep and infant sleep location across the first six months of life. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Philbrook, L., & Teti, D. M. Maternal Emotional Availability, Co-parenting Quality, Infant Temperament, and Infant Diurnal Cortisol at 3 Months. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Shimizu, M., & Teti, D. M. Infant sleeping arrangements, infant attachment, and maternal emotional availability during the first year of life. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Hajal, N. J., Cole, P. M., Teti, D. M., Feinberg, M. E., & Moore, G. A. Parental Self-Efficacy and Emotion in Mothers of Infants. Poster presented at the International Society for the Study of Behavioral Development, July, 2012, Edmonton, CA.

Chin, F., & Teti, D. M. Predictors of commitment to a home visiting program among African American Mothers of Preterm Infants. Poster presented at the biennial conference of the Society for Research in Child Development, March 31, 2011, Montreal, CA.

Philbrook, L., Rhee, H.-Y., & Teti, D. M. Quality of co-parenting, bedtime parenting, and infant cortisol regulation at 1 and 3 months. Poster presented at the biennial conference of the Society for Research in Child Development, April 1, 2011, Montreal, CA.

Mayer, G. E., Teti, D. M., & Kim, B.-R. Co-parenting during infants' first three months and socio-emotional and behavioral adjustment at 1 year. Poster presented at the biennial conference of the Society for Research in Child Development, April 2, 2011, Montreal, CA.

Kim, B.-R., Teti, D. M., & Mayer, G. E. Coparenting at 1 month post partum predicts mothers' emotional availability during infant bedtimes at 6 months. Poster presented at the biennial conference of the Society for Research in Child Development, March 31, 2011, Montreal, CA.

Teti, D. M., & Crosby, B. (Chairs). The social environment of infant sleep: Parenting, maternal well-being, and development. Symposium presented at the biennial conference of the Society for Research in Child Development, April 1, 2011, Montreal, CA.

Teti, D. M., Crosby, B., & Kim, B.-R. Maternal depressive symptoms and marital adjustment at 1 and 3 months predict mother-infant bedsharing by 6 months. In Teti, D. M., & Crosby, B. (Chairs). The social environment of infant sleep: Parenting, maternal well-being, and development. Symposium presented at the biennial conference of the Society for Research in Child Development, April 1, 2011, Montreal, CA.

Teti, D. M. (Discussant). In von Suchodoletz, A., & Davidov, M. (Chairs), Consistency and change in parenting: Links to child characteristics. Symposium presented at the biennial conference of the Society for Research in Child Development, March 31, 2011, Montreal, CA.

Killeen, L. A., & Teti, D. M. Parenting as a process: Frontal EEG alpha asymmetry as a measure of “online” maternal responsiveness to infant cues. In Hajal, N. J., & Cole, P. M. (Chairs), *New directions in studying parental emotion and emotion regulation*. Symposium presented at the biennial conference of the Society for Research in Child Development, April 1, 2011, Montreal, CA.

Miscellaneous

Interview by Parents magazine (October, 1996)

Moderator, Roundtable discussion, "The Effects of Maternal Depression on Children", audiotape produced by the American Academy of Pediatrics (Sept. 21, 1996). With William R. Beardslee and Alice Carter, discussants.

Interview by Parenting magazine (May, 1997)

5/15/98. Certified as an examiner of the Neonatal Behavioral Assessment Scale (from the Brazelton Institute, Boston).

5/21/98. Certified as interviewer and coder of the Adult Attachment Interview (from M. Main & E. Hesse).

Spring, 2005. Certified as coder of the Emotional Availability Scales (by Zeynep Biringen).

Spring, 2008. Featured in College of Health and Human Development: Advancing a Vision.. "Think outside the crib: Parents influence infants' sleep behaviors.

Fall, 2008. Interview by Today's Child magazine on the significance of early parent-infant Relationships.

Winter, 2009. Interview with Public Broadcasting System on new perspectives in parenting research.

Fall, 2009. Interview by Newsweek Magazine on parenting and infant sleep

Summer, 2010. Interview in Research Penn State on paternal post-partum depression

Summer, 2010. Interview with Rodale.com on parenting, emotional availability, and infant sleep

Summer, 2010. Interview with the Washington Post on parenting, emotional availability, and infant sleep

Summer, 2010. Interview with the U.S. Department of Health and Human Services on parenting, emotional availability, and infant sleep

Summer, 2010. Interview with Medical Communications on parenting and infant sleep

Fall, 2010. Interview by The Globe and Mail on parenting and infant sleep

Fall, 2010. Interview by National Public Radio on parenting and infant sleep

Fall, 2010. Interview with Babytalk magazine on parenting and infant sleep

Spring, 2011. Video interview with Worth Publishers on parenting and infant sleep

Summer, 2011. Interview by Baby and Toddlers magazine on parenting and infant sleep
